I l. y.

I love you in the summer
When the sky is always blue,
I love you when like drummer
I knocked on door with you,

I love you in the winter
When the sky is always white,
I love your jokes at dinner
And sleeping smile at night,

I love you in the spring and autumn
When the sky is always grey,
I love when your eyes have bottom
I see all things another way,

I love you every moment, second,
I love you so much all these years,
But when you ask: “Why do you love me?”
The answer’s simple: ““Cos you’re real!”

I'm sitting under the sky

I'm sitting under the sky
And I don't know nothing, where is my home?
Maybe you will suppose that I lie
But I really want to find home.

When my 25'th birthday was gone,
Suddenly I realized that my life
Has never been sad, I'm not alone,
Now I'm feeling my heart with a knife.

I met many men on my road
But nobody answered to me,
How to be happy in life, calling "boat"
And learn how truly be free.

But one sunny day I met you
And my smile became sincere and bright,
You said many words about the truth
And I know you always were right.

Didn't know that I'd fallen in love,
Many years we were just best friends
And I didn't say my words about love
You disappeared and my life doesn't have sense.

So I'm sitting under the sky and I want to find hope,
I believe that you are alive
And all my old fears I will drop.

I love you! Where ever you are!
Can you hear me? Give me a sign!
Suddenly I see a shooting star,
And my watch shows nine

In loving memory of Robin Williams

Have you ever seen a rainbow
And a shooting star at night?
Have you ever played baseball
And have you ever dressed like a knight?

Have you ever spoken with flowers,
Held a butterfly in your hand?
Laughed happily for hours,
Flown in the Neverland?

Screamed to the DMZ: “Good morning!”
Taught how to seize the day?
Run away fast from a lion,
Warning! There is jungle on your way!

Have you ever made come true all men’s wishes?
At first time heard: “You are free!”
Cooked pretty evening dishes,
Looked in the mirror – it’s not me!

Watched people crying, nervous,
Wear a red nose, smile at them,
Been a child in mind forever, always
Sung funny songs to men?

If you don't understand my poem,
I'm sorry that your life has never been full of magic
And words that have light!

August

Only one question – why?
Only one feeling – pain
Only one dream – you're alive!
Only my tears fall rain

Love poem

You are my love, my friend, my life,
All I want – to be your wife,
You are my air, I can breathe
Only with you, only with...

You are my star, you are my sun,
