### Chapter 1

There was a boy named Peter. One day he went to take a walk. Walking down the street and sees the floor is something strange. Strange as it will turn into a terrible monster, the boy got scared and ran away. He goes home scared and opens the door, and there, instead of his parents the same monster, Peter got scared and ran to my room huddled in a corner.

### Chapter 2

The morning came, the boy thought he was dreaming, he had Breakfast and went for a walk. But still he was wary of this strange place. He goes down the street looking everywhere, does not see the place, then he went to visit his grandmother who lived nearby. He opens the door to her house enters and sees the usual grandmother Marina. He shared with her news, she understood it and said that can be of no help. He sat at grandma's and ate and went for a walk. He goes out and sees, again, there is something strange he decided to raise and it's strange again turned into a monster. The boy was so scared that he ran not knowing where. He runs, runs, ran into the woods. And the road home to yourself or to her grandmother forgot. He spent the night in the woods.
